Business Meetings start at 7 pm on the first Thursday of each month at the Dante Club. No food will be served at the meeting, but there are nice restaurants close to the Dante Club. Next meeting is July 11, 2013.

President Ed Dunbar's Message

I missed you all while I was in Texas on business, but it was great seeing you Thursday evening. As this fiscal year for RCCC is fast coming to a close we have a concern that has to be addressed, that is election of new officers to run the club for the upcoming year 2013/2014. This is a volunteer job that takes some time and dedication, but can be rewarding as you get to know your fellow club members. We have four members that have stepped up so far, they are: President - John Klunder; Vice President - Tom Mason; Secretary - Karen Vasile and Treasurer - Don Williams. Anyone that takes on one of these positions will get plenty of help from outgoing and past officers! The nominations for all offices will be open until voting on August 1st (August meeting). Anyone interested in any office, please email me with your intent.

It is dues time again, if you have not paid your dues please do so at the July meeting (July 11th). Dues are \$100 and show your Drivers License and proof of insurance to the person collecting (Treasurer or Secretary).

The club is in need of someone to install and repair CB radios in our cars. Anyone interested or knows of a reputable person or company let me know.

Thanks to the Hinchmans for bringing the birthday cake and cookies this month.

The next meeting is Thursday July 11th, due to the 4th being a holiday.

Heads up, our club anniversary/installation of new officers/and silent auction for Terrie's charity will be on August 10th. This event is paid by the club for all members who have paid their dues.

Thank You

Ed Dunbar, President

SAFETY NOTICE: We have nice cars in our club and some of us like to drive very fast, but it's very important to put SAFETY FIRST!!! If you are not comfortable going fast, especially on a club run, please stay within your speed comfort zone. Stay toward the back of the pack, or volunteer to run with the slower group, if possible. It's better to show up at the next location a little late, than to drive faster than you feel safe!
