PERFORMANCE CHEVROLET on Madison Avenue is our proud club sponsor.

Business Meetings start at 7 pm on the first Thursday of each month at the Dante Club. No food will be served at the meeting, but there are nice restaurants close to the Dante Club. Next meeting is April 3, 2014.

President John Klunder's Message

What a meeting! It was good to see a full house on Thursday as well as the addition of 2 more couples to the membership, with the potential of more to come. It seems like this unusually warm weather is bringing out the cars as well as interest in the Club. I'm very happy to see a great sign-up for Rudy's and Peter's Mystery Run next Saturday, and the Spring Fling on the following Saturday should turn out to be another great party.

The raffle donations for the Luau are trickling in, but I'd still like to encourage you all to make a personal effort to obtain just one donation each. Can you imagine the raffle we'd all get to participate in? I'm also encouraged by the outstanding effort that the Dante Club is putting forth to make the Luau a great success!

Since the Luau is going to be a change of pace for the fundraiser, why don't we make an effort to invite past members who have left the Club for whatever reason? I'm sure that many of you are friends with these folks and it would be nice to bring them back into the fold (or at least to the party!).

Enjoy the weather...Enjoy your cars...and Drive Safely!

Vice President Tom Mason's Message (not present at meeting)

John's Jawbonin':

Please note, for security purposes the email addresses for everyone on the bottom of the agenda are now the same. Any email sent to those on this list will be redirected to them.

Regarding the Luau on May 17: Ticket sales started at the meeting tonight (\$36pp, \$350 for a table of 10, & \$20 for age 12 and under); don't forget that friends and relatives are welcome – the more people we have the better the fund raiser

will be. Flyers are available for those who are willing to canvass for donations. Remember, there is always a better response to in-person requests.

If you put flyers on the tables at the beginning of a meeting, please pick up any that are still there at the end of the meeting. John would prefer to not take any more of these home.

SAFETY NOTICE: We have nice cars in our club and some of us like to drive very fast, but it's very important to put SAFETY FIRST!!! If you are not comfortable going fast, especially on a club run, please stay within your speed comfort zone. Stay toward the back of the pack, or volunteer to run with a slower group, if possible. It's better to show up at the next

location a little late, than to drive faster than
you feel safe!
