June 2016 Newsletter

PERFORMANCE CHEVROLET @ 4811 Madison Avenue is our proud club sponsor.

Business meetings start at 7 pm on the first Thursday of each month at the Dante Club. Food is not served at the meeting, but there are nice restaurants close to the Dante Club. **Next meeting is July 7, 2016.**

President Robert Ramirez' Message

May was a great month, and, thanks to the Quiggs and Greenes, we had the San Simeon Run. If you were on it, you know how awesome it was. I think the highlight was our cocktail party. Kerry (as in Greene) and Sue entertained us with great singing and guitar music, and Dan, well... I'll just say he was the late night show.

Betty hit another one out of the park. Her humor, timing and delivery were, as always, impeccable.

Elections will be here soon and **all positions are open**. Should anyone wish to run for one of the four officer positions (President, Vice-President, Secretary or Treasurer), please send an email indicating which position you are interested in.

If you haven't noticed, it's hot out there. Make sure you hydrate, use your sun screen, and if you're like me, wear a hat.

As always, if you are interested in putting on a run and it's your first time, see one of the officers. We'll be more than happy to assist you with it.

Well, that's all I have for now, so stay cool, stay safe and have a great month. Robert

Vice President Ron Kayl's Message

July 12, 2016 Amador Flower Farm, Lunch, and Shopping – Terrie Hunt: This is a Tuesday run for the RCCS ladies. Participants will meet at 8:30 am at the Carl's Jr. Restaurant, 3100 Sunrise Blvd., Rancho Cordova, CA, 95742. The group will depart at 9:00 and head for the Amador Flower Farm, 22001 Shenandoah School Road, Plymouth, CA, 95669, (209) 245-6660, (www.amadorflowerfarm.com). This facility offers over 700 types of day lilies, beautiful grounds with two large ponds, and numerous other plants and succulents. They also have a wonderful gift shop. From there the group will travel to the historic Hotel Sutter, 53 Main Street, Sutter Creek, CA 95685, (209) 267-0242, (www.hotelsutter.com) for lunch and then finish the day shopping in the many quaint stores in Sutter Creek. Lunch will cost \$25 per person. This event is limited to the first 30 participants who RSVP to Terrie. She passed around a sign-up sheet and said she has about 10 spaces left. Carpooling is strongly recommended as parking is limited in Sutter Creek. Contact Terrie Hunt for additional information at 916-663-6300.

After completing her comments about the Amador Flower Farm run, Terrie indicated she was very upset with the flyer put out on the tables regarding the RCCS Birthday Party asking for donations for a 50/50 raffle and not mentioning the silent auction, which, in past years has resulted in all proceeds from the silent auction going to the Christmas for Kids charity. She asked for help from the members since it appeared the charity would not be receiving the \$3000 from the club, because the silent auction fundraiser was not specifically listed on the flyer. Additional comments were made by Val McMichaels who indicated she was concerned with the wording on the flyer, specifically the part that said the funds from "the Raffle is to help offset on-going cost to the Club, such as rent, insurance, dues and 2 for 1 meals". Val stated

Performance Chevrolet pays the club's rent and suggested if the donations were not appreciated that she may reconsider her donations. Additional comments were offered by Ann Dunbar who indicated that historically the purpose of the silent auction at the Birthday Party event has always been to raise money specifically for the Christmas for Kids charity and that the RCCS should continue to include the silent auction at the event for this purpose. Additional comments from Terrie indicated she has been contacted by several members who have expressed to her their excitement about the upcoming silent auction and that they are already working on items they hope to auction off in support of the charity. She felt it was a disservice to those individuals who have already started working on those projects for the auction to be discontinued. She also felt that if the current event organizers wanted to make changes to how the event was run, that they should have to take their ideas to the RCCS Board of Directors for approval.

Robert responded to Terrie by clarifying first that the RCCS would be making a \$3000 donation to the Christmas for Kids charity, period, regardless of whether or not a silent auction was part of the Birthday Party event. He explained that all monies from all the fundraisers held by the RCCS throughout the year go into the same account and the RCCS has already said that it will be making the \$3000 donation. He apologized if the wording on the flyer caused any confusion. He also apologized to Val McMichaels and assured her that her donations to the RCCS are very much appreciated. Finally, he said that he and Vice President Kayl have been discussing the plans for the upcoming Birthday Party and while they have "kicked around" several ideas about the various types of fundraisers to include, at this point no decisions have been finalized. He said he heard the comments from the membership and that the silent auction will absolutely be included in the event. He thanked everyone for their comments and input and asked the membership to have patience and understanding with the officers/event planners as "we are all doing the best we can" and we sometimes make mistakes.

Sue Facciola stated she read the flyer about the Birthday Party and felt that the whole purpose of the flyer was getting lost in the discussion about what kind of auctions were going to be included. She said she believed the purpose of the flyer was to remind the membership that the event was a major fundraiser and to ask the membership to assist the RCCS by going out and getting donations for the fundraiser event.

SAFETY NOTICE: We have nice cars in our club and some of us like to drive very fast, but it's very important to put SAFETY FIRST!!! If you are not comfortable going fast, especially on a club run, please stay within your speed comfort zone. Stay toward the back of the pack, or volunteer to run with a slower group, if possible. It's better to show up at the next location a little late, than to drive faster than you feel safe!
